Subject: FW: Do you have time to talk about USDA requirements for the HAMP in the next week?

Good Morning,

I've had a change in schedule so I will be working from the office on Thursday. You can call me at 928-532-2270 ext. 104; same time.

Thanks,

Loretta Orona | CP Specialist

Loretta,

What number do you want us to call you? I have the following:

Work: (928) 532-2270

Cell: Ex. 6 Personal Privacy (PP)

Or, do I have the wrong numbers for you?

Please: All data submittals to our office should be sent by email to datamanager@epa.gov with a copy to me (or your project manager in the Drinking Water Office). Data reports are due no later than the **10th** of the month following the month that you receive results, or the **10th** of the month following the compliance period, whichever comes first. Please include the whole lab report and copy of the Chain of Custody. Label with PWS name and number; & source or distribution system location codes or names for data collection points.

I am available November 17 (Thursday) after 2:00 p.m. California Time. I am off on Friday, November 18, but if that is the only time that is available for everyone, I am open all day.

We can wait to hear back from Emmanuelle to see what her schedule is like.

Loretta,

Ex. 5 Deliberative Process (DP)

Do you have time in the next week to talk to us about the questions? I think that having a discussion over the telephone would be more productive than trying to communicate through e-mail because other questions will probably arise during the discussion. Please let us know of some available dates and times for the discussion.

Thank you.
